Re: Records Request

Ms. De Fazio:

Chapter 239 of the Nevada Revised Statutes ("NRS"), specifically NRS 239.0107(1), requires a governmental entity to respond to public records requests within five business days. Accordingly, the Public Utilities Commission of Nevada ("Commission") is responding to your April 12, 2017, request for "Copy of the lease agreement for the vegas office."

On February 27, 2017, and on April 10, 2017, the Commission informed you, consistent with NRS 239.0107(1)(c)(2), that any non-confidential records responsive to your numerous pending requests for public records will be made available to you no later than June 1, 2017, by 5:00 p.m. Similarly, any non-confidential records responsive to your most recent request, described above, will also be provided to you by June 1, 2017, at 5:00 p.m. You will be notified if the Commission is able to make the requested records available for inspection prior to the date and time identified pursuant to NRS 239.0107(1)(c)(2).

Sincerely,
